Time - 1000

The display board is divided into several sections. The top section contains several fish species, including a white fish, a blue fish, a pink fish, and a dark fish, each with a small illustration and a label. Below this, there are sections for various seeds and botanical specimens, each with a small photograph and a label in both English and Hindi. The labels include:

- Ginger (जड़)
- Mustard Seeds (सरसों के बीज)
- Garlic (लहसुन)
- Linseed Seeds (लिनseed के बीज)
- Masa (मासा)
- CoCum (आमरसूत)
- Various other seeds and botanical specimens with corresponding labels.
