The Process of Making Tea

Tea is a type of hot drink which is famous all over the world. It is most widely consumed drink after water in the world. The process of making tea is very simple. For making a cup of tea first of all pour some water into a kettle and place it on the stove. Let the water in the kettle boil for some time. Then put one spoonful of tea leaves powder for a cup of tea and two spoonful of sugar into the boiling water. Let it boil again for a few minutes. Then add some milk to it and let it boil again for a few seconds. Now the tea is ready to serve. You can filter it in a cup to serve.
